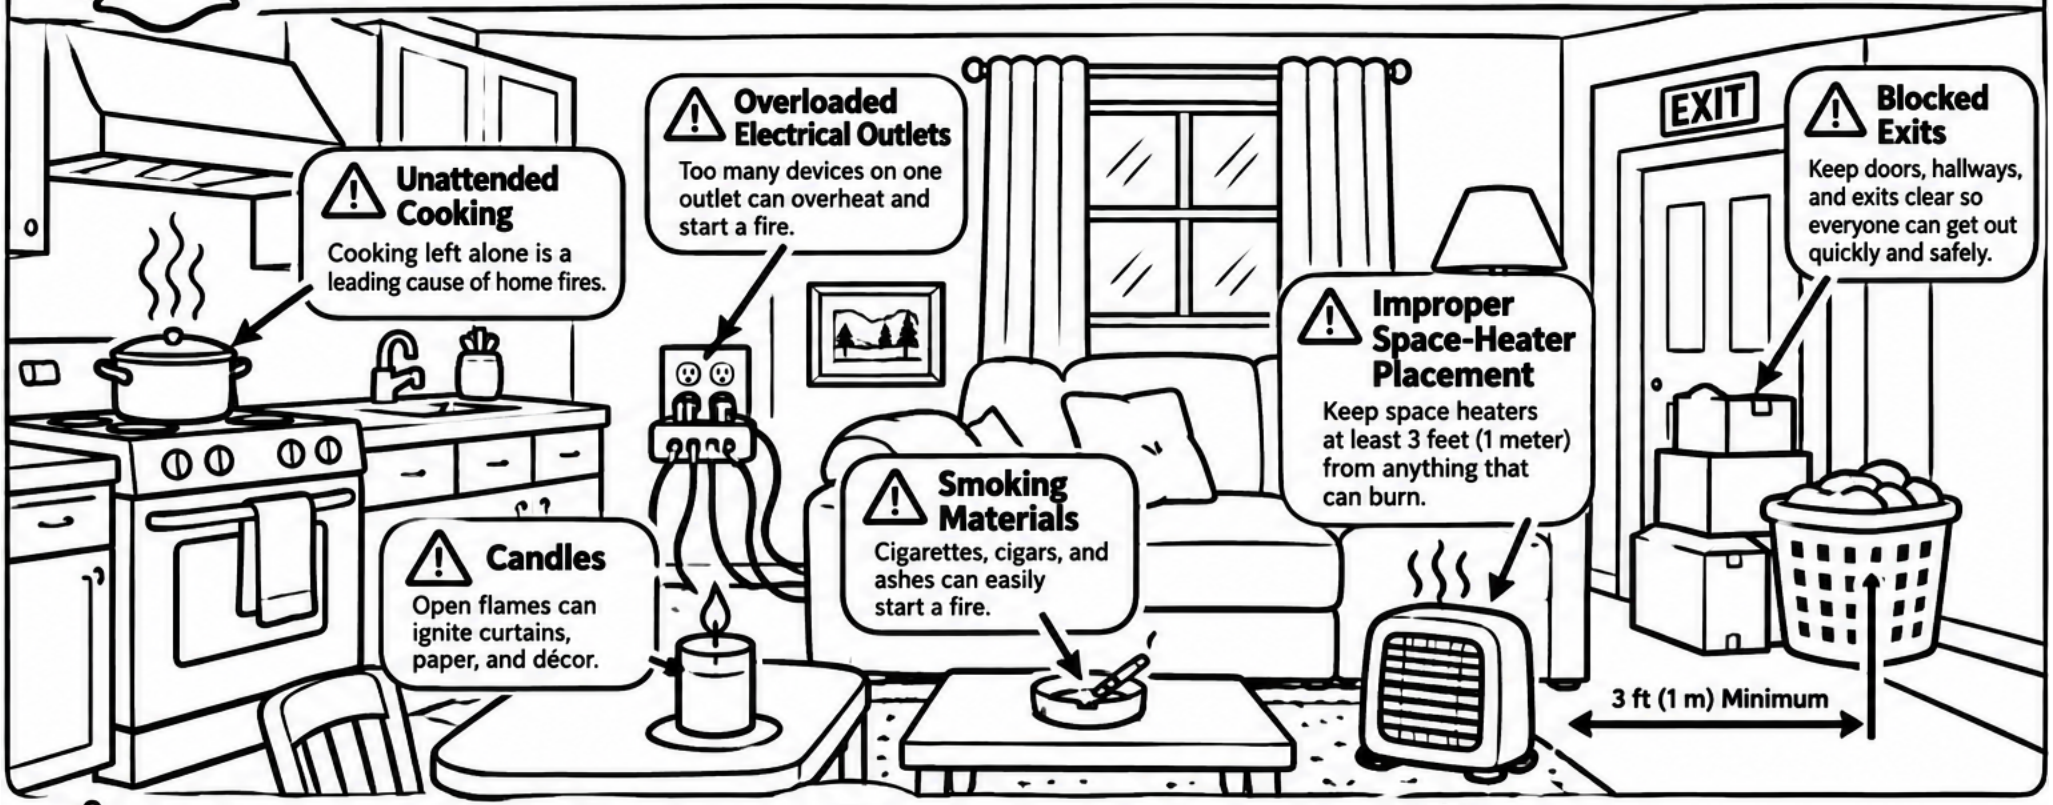
NFR Adult Fire Dangers in the Home

Common everyday risks can cause a home fire. Identify the hazards below, then use the safety reminders to keep your home and family safe.



Fire Safety Reminders

- ☑ Never leave cooking unattended.
- ☑ Keep outlets from being overloaded.
- ☑ Use candles safely and keep them away from combustible items.
- ☑ Dispose of smoking materials in a sturdy, non-combustible ashtray and ensure they are fully out.
- ☑ Keep space heaters on a level surface and at least 3 feet from anything that can burn.
- ☑ Keep all exits clear and accessible at all times.

Don't Forget Smoke Detectors!

- ☑ Have a working smoke detector on every level of your home.
- ☑ Test them at least once a month.
- ☑ Replace batteries at least once a year (or use 10-year sealed batteries).
- ☑ Replace smoke detectors every 10 years.
