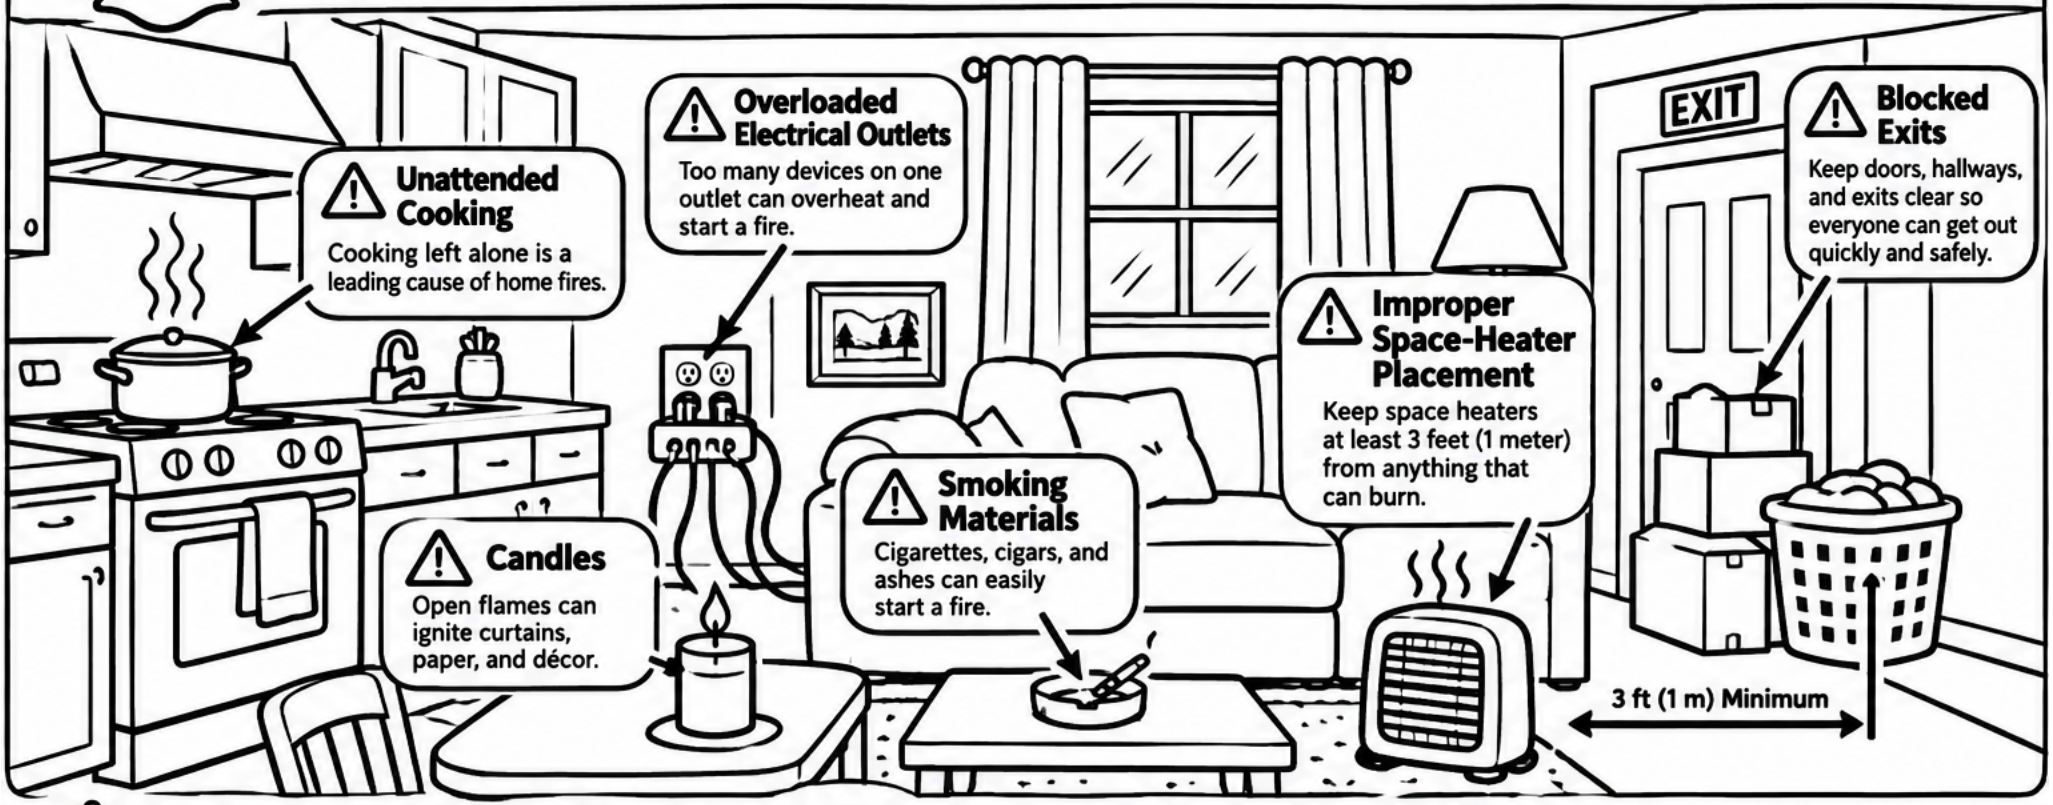
# NFR Adult Fire Dangers in the Home

***Common everyday risks can cause a home fire. Identify the hazards below, then use the safety reminders to keep your home and family safe.***



## Fire Safety Reminders

- ☑ Never leave cooking unattended.
- ☑ Keep outlets from being overloaded.
- ☑ Use candles safely and keep them away from combustible items.
- ☑ Dispose of smoking materials in a sturdy, non-combustible ashtray and ensure they are fully out.
- ☑ Keep space heaters on a level surface and at least 3 feet from anything that can burn.
- ☑ Keep all exits clear and accessible at all times.

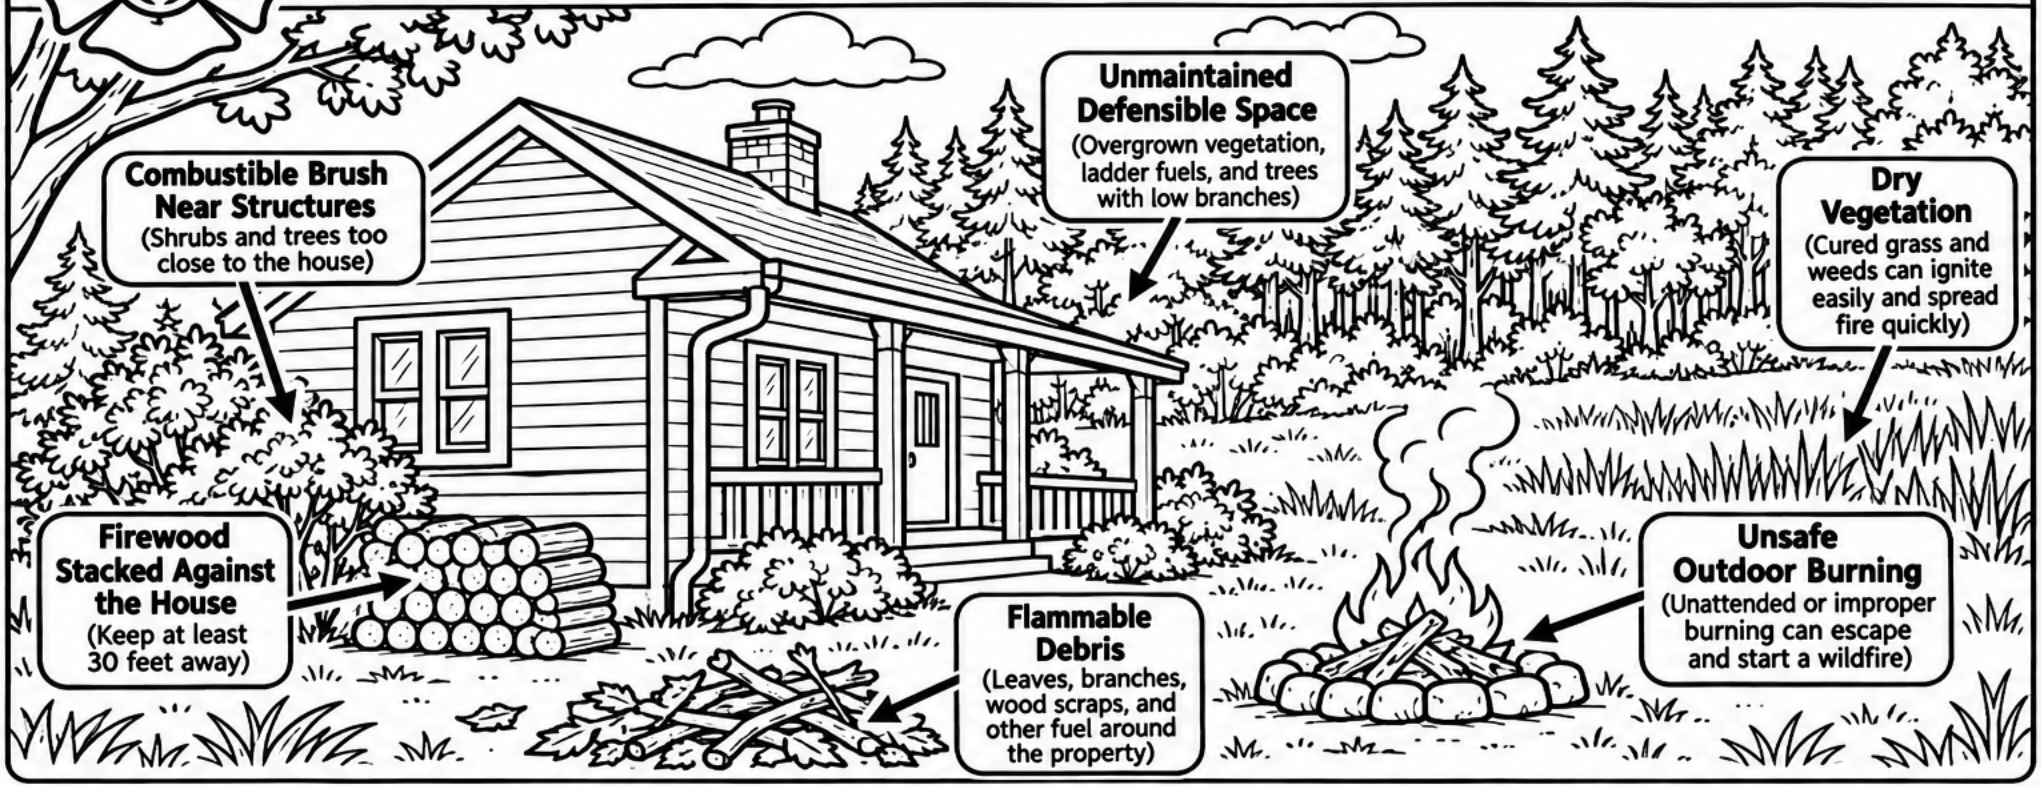
## Don't Forget Smoke Detectors!

- ☑ Have a working smoke detector on every level of your home.
- ☑ Test them at least once a month.
- ☑ Replace batteries at least once a year (or use 10-year sealed batteries).
- ☑ Replace smoke detectors every 10 years.

## Notes / My Action Plan

# NFR Adult Wildland Risks Outside the Home

*Recognize common wildfire hazards around your property and take action to reduce risk.*



## Mitigation Reminders – Reduce Your Risk

- ☐ Keep at least 30 feet of defensible space around your home (more on slopes or in heavy fuels).
- ☐ Trim tree branches at least 6–10 feet off the ground.
- ☐ Remove or thin brush and dead vegetation regularly.
- ☐ Move firewood, lumber, and other combustibles at least 30 feet from structures.
- ☐ Dispose of leaves and debris properly (compost, chip, or haul away).
- ☐ Follow local burning regulations and never leave a fire unattended.
- ☐ Keep gutters, decks, and under-porch areas clear of leaves and debris.

## Property Notes / Action Plan

_____

_____

_____

## Quick Reference

- ✔ Create and maintain a defensible space.
- ✔ Keep your property clean and organized.
- ✔ Use fire-resistant, well-maintained landscaping.
- ✔ Only burn when it's legal, safe, and permitted.
- ✔ Check local fire danger and burn restrictions.
- ✔ Be ready to evacuate if a wildfire threatens your area.
